

# Biofabrication Workshop

February 26, 2018  
BRC @ Rice University

Free registration at:  
[bml.rice.edu](http://bml.rice.edu)

Biomaterials  
Lab

**CECT** Center for  
Engineering  
Complex Tissues  
UNIVERSITY OF MARYLAND • RICE UNIVERSITY • WAKE FOREST UNIVERSITY

One day workshop covering advanced topics in bioprinting and biofabrication, including topics in:

- Bioprinting with cells
- Printing with custom materials
- Electrospinning and writing
- Drug and bioactive molecule preservation and delivery
- Developing and characterizing devices and tissue scaffolds

Lectures, discussions, and hands-on laboratory training

Learn about equipment available for you to use in your projects
